Dear Donna:

Thanks for meeting with Amy, Jeff and me regarding your safety recommendations.

We appreciate your work in the area and we are already tackling a number of the items on your list for us.

The materials were well developed and easy to follow. I liked the format you used with the photos, too.

I told James Allison our goal will be to have all these and any other safety issues we have repaired well before our P & C comes up for renewal next year.

Looking forward to working with you, I remain.....

Respectfully yours,

T. Clark Shaw- CEO
